

Chandra (Shawn-dra) L. Jackson, PhD, MS

Dr. Chandra L. Jackson is a tenured Earl Stadtman Investigator who leads the Social and Environmental Determinants of Health Equity Research group in the Epidemiology Branch of the National Institute of Environmental Health Sciences with a joint affiliation in the National Institute on Minority Health and Health Disparities. Dr. Jackson investigates physical and social environmental factors that impact disparities in sleep health and subsequent risk of cardiometabolic dysfunction. Her research has been presented at national as well as international scientific conferences and published in both academic journals like *Lancet*, *JAMA Internal Medicine*, the *American Journal of Epidemiology*, and *SLEEP* as well as major media outlets such as the *US News & World Report* and *The New York Times*. She has earned merit-based awards, including the Charlotte Silverman Award for outstanding commitment to public health, policy, and community outreach at Johns Hopkins, an Outstanding Fellows Award at Harvard, and the Presidential Early Career Award for Scientists and Engineers. She earned a Master's degree in Epidemiology from the Harvard T.H. Chan School of Public Health, a PhD in Epidemiology from The Johns Hopkins Bloomberg School of Public Health, and was an Alonzo Smythe Yerby Postdoctoral Fellow at the Harvard T.H. Chan School of Public Health before becoming a Research Associate in the Harvard Catalyst Clinical and Translational Science Center.
