

Maryland Public Schools High School Start Times: 2017-2018 School Year

The American Academy of Pediatrics recommends that middle and high schools start at 8:30 a.m. or later.

The American Medical Association, American Psychological Association, American Academy of Child & Adolescent Psychiatry, the National Association of School Nurses, the Education Commission of the States and the National PTA agree.

As detailed here, the vast majority of Maryland public high schools open well before 8:30 a.m.

Bus pick-ups starting as early as 5:15 a.m. require students to wake at hours long before what is safe, healthy, and developmentally-appropriate for their still-growing brains and bodies. Teaching sleep-deprived teens challenging academics, including AP courses, in the 7 a.m. hour is both cruel and undermining.

With such schedules, teenagers have to be in bed and *asleep* at 8 or 9 p.m. in order to get the amount of sleep they need. This just isn't possible — for biological and logistical reasons. When students oversleep and miss the bus, many wind up being extremely tardy or entirely absent from school due to having no transportation alternatives.
