

Lisa VanBuskirk
Chapter Leader
Start School Later Anne Arundel County

Dear Lisa,

Thank you so much for sharing your group's information on the benefits of starting school later. As the father of twin boys who attend public schools in Anne Arundel County, I'm dedicated to creating the most favorable conditions possible for academic success for them and all students in the county. In that regard, I fully support taking the necessary steps to institute later school start times.

Best,

Steuart
